Bid Response Instructions:
In order to submit a responsive bid, bidder must read and follow all instructions, terms, conditions and specifications of this solicitation.

1. Bid envelope(s)/package(s)/box(es) must be identified with the bid number and opening date. Each individual bid must be submitted in a separate envelope. Responses to multiple bid numbers submitted in the same package that are not in separate envelopes and properly identified will be rejected. The Division of Purchasing does not assume responsibility for late bids for any reason including those due to postal or courier service. Bid responses must be in the Division of Purchasing office prior to the “close date and time” indicated on the bid.

2. Bid responses must be in ink or typed on this document, or replicated in the exact format. Signatures must be handwritten originals in ink or the bid will be rejected. Unless indicated in the bid, all price pages must be completed and returned. If an item is not being bid, identify it as N/B (no-bid). Pages should be secured. The Division of Purchasing does not assume responsibility for missing pages. Faxed/printed bid responses will not be accepted.

3. The unit price always governs regardless of the extended amount. A unit price change on a line must be initialed by the person signing the bid or that line will be rejected. Price changes include but are not limited to cross-out, strike-over, ink-over, white-out, erasure, or any other method changing the price.

4. The Division of Purchasing requires an original and a minimum of one exact copy of the signed, notarized bid to include any required addendum(s) and documentation. The original and the copy should be submitted together as a bid package.

5. An improperly submitted bid, late bid or a bid that is canceled on or before the opening date may be retrieved during normal business hours. These bids will be held for 90 days then destroyed. The Division of Purchasing assumes no responsibility for the document after 90 days. Bids retrieved by vendor(s) are considered withdrawn and vendor(s) relinquishes all rights to protest.

Bid rejection:
Bidders shall not place any qualification, exceptions, conditions, reservations, limitations, or substitutions in their bid concerning the contract terms and conditions. Any such qualifications, exceptions, conditions, reservations, limitations or substitutions shall result in rejection of the bid.

Bids that are improperly submitted or received late will be documented for record but will not be returned nor will bidder be notified.

The following is a partial list whereby a bid response will be rejected:

Bid number not on envelope/package/box
Bid responses with multiple bid numbers in same envelope not properly identified
Bid responses received late
Bid responses not signed/not original signature
Bid responses not notarized/not original signature of notary and/or notary expiration
Bidder notarized own signature
Required information not submitted with bid response
Failure to submit the original bid and a complete exact copy
Bid response received from non-subscribed/expired vendor

As a condition for award of this bid, the vendor acknowledges the following:

“By signing this contract, the contracting parties affirm, for the duration of any agreement that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Certification Pursuant to Act no. 2006-557

Alabama Law (section 41-4-116, Code of Alabama 1975) provides that every bid submitted and contract executed shall contain a certification that the vendor, contractor, and all of its affiliates that make sales for delivery into Alabama or leases for use in Alabama are registered, collecting, and remitting Alabama state and local sales, use, and/or lease tax on all taxable sales and leases into Alabama. By submitting this bid, the bidder is hereby certifying that they are in full compliance with Act no. 206-557, they are not barred from bidding or entering into a contract pursuant to 41-4-116, and acknowledges that the awarding authority may declare the contract void if the certification is false.

The ‘Intent to Award’ will continue for a period of five (5) calendar days, after which the award will be final provided there are no protests. Upon final award, all rights to protest are forfeited. A detailed explanation of this process may be reviewed in the Alabama Administrative Code – Chapter 355-4-1(14).

Alternate Bid Response

The State will inspect products in a reasonable timeframe. Signature on a delivery document does not constitute acceptance by the State. The State will accept products only after satisfactory inspection.

Sales Tax Exemption
Pursuant to the Code of Alabama, 1975, Title 40-23-4 (A)(11), the State of Alabama is exempt from paying sales tax. An exemption letter will be furnished upon request.

Section 10-2B15.01, Code of Alabama 1975. To obtain forms for a Certificate of Authority, contact the Secretary of State, Corporations Division, (334) 242-5324. The Certificate of Authority does not prevent the vendor from submitting a bid.

Priority 1. Produces or manufacturers the product within the State.

Award will be to the lowest responsible bidder meeting all specifications. However, life cycle costing will be used to determine the lowest responsible bidder based on a 5 year/55,000 mile residual value listed in the NADA guide, or the average rate of depreciation as calculated by money-zine.com for the make/model year vehicle bid.

The life cycle cost residual value will be calculated by ALDOT's Office of Fleet Management during the evaluation by using the NADA guide for the month in which the bid is opened for the bid on a 2016 make/model year of that exact vehicle for a 2011 make/model year with standard options. If the make and model year of vehicle bid is not listed in the NADA guide, money-zine.com will be used to calculate the average rate of depreciation which will be the total life cycle cost for that vehicle. See provided SAMPLE life cycle cost form.

Each awarded vehicle will also be awarded a vehicle option line and a vehicle delivery line. These line items will not be used in the calculation of the total life cycle cost nor will they figure into the award evaluation. The unit price for those line items must be left blank.

Bid withdrawal prior to award, vendors will have until 5:00 pm central time on the 3rd business day after the bid opening to withdraw any bid price. Bid prices not withdrawn will stand and any resulting contract awarded must be honored for the term of the contract period. Failure to withdraw pricing as outlined above may result in the cancelation of the contract, and the vendor being barred from bidding on future bids for an indeterminate period. Bid withdrawals must be submitted to the buyer in writing. Emailed letters on vendor's letter head will be accepted.

Delivery charges:
There are no delivery charges for delivery of vehicles within a twenty (20) mile radius. Delivery charges will be from the contract vendor's dealership to the delivery destination. The maximum charge for delivery is $1.50 per mile, calculated one way from the contract vendor's dealership to the delivery destination. Delivery mileage can be calculated via any internet mapping tool. Documentation showing mileage calculations may be requested from the agency, State Purchasing, or the ordering entity and must be provided within two (2) business days from the date of request.

In State Dealership:
Effective June 3, 2015, Act 2015-306, SB20, amends Section 23-1-50.1, Code of Alabama 1975, to require that state motor vehicles acquired for the Fleet Management Program of the Department of Transportation or other state operated motor vehicle acquisition program must be purchased or leased from a motor vehicle dealership located in this state.

Administrative fee:
Awarded bidder(s) are to pay the State an administrative fee for all sales made under this contract. This fee will be 1% (0.01) of the total dollar amount for all sales. The fee is to be paid each month before the 20th and will represent a single, one-time payment for all sales made in the prior month and as adjusted for errors associated with earlier months. This fee is not to be listed as a separate cost on invoices. The awarded bidder(s) will be required to provide a summary report each month before the 20th listing sales made during the prior calendar month. This report is to include the report contract number, purchasing entity, sales amount, and fee amount. A report is due even when there is no activity. This report is to be sent electronically to telecom.admin@isd.alabama.gov. A copy of the summary report is to also accompany the payment. The remittance is to be identified with the reporting month and contract number.

Remittance is to be payable to the "State of Alabama Department of Finance" and be sent to:

Alabama Department of Finance
Division of Accounting and Administration
PO Box 300658
Montgomery, Alabama 36130-0658

The definition of sale, for the purpose of this bid only, will be at the time of vehicle delivery and acceptance by the agency. Administrative fees will be due by the 20th of the month following the month of delivery. For example, administrative fees for vehicles delivered during the month of April will be due by the 20th of May. Only the base vehicle price will be used toward the "total dollar amount" for calculating the administrative fees. Administrative costs, such as title fees and charges for options will not be included in the calculation of the administrative fees.

Failure to comply with the provisions of this term and conditions as outlined above, will result in the cancelation of the contract, and the vendor's possible debarment from doing business with the State of Alabama for an indeterminate period.

Vehicles, Non-Alternative Fuel:

Production/close-out dates:
This contract is for the current year model only. The manufacturer determines production and close out dates, which will be provided by the awarded vendors to State Purchasing at the earliest possible date. State Purchasing will then post these dates on the contract online.

Delivery dates shown on the contract are estimates only, as dealers do not have control over production schedules.
Agencies are encouraged to order as soon as the contract(s) are put in place. Orders placed just before the vendor cut-off dates run the risk of delayed delivery and possible order cancellation.

Due to the fact that State Purchasing has no control over the U.S. Postal Service and that mail can get lost, it would be advisable for agencies to fax a copy of their purchase order to the contract vendor with a note that it is a copy and that the vendor's copy should be received in the U.S. mail within a few days.

Delivery/pick-up:
If vehicle delivery exceeds twenty (20) miles, vehicle(s) will either be picked-up at the contract dealership, or delivered to the delivery destination per the delivery charges term and condition with the cost of delivery added to the PO on the vehicle delivery line.

When vehicles are ready to be pickup at the dealership the contract vendor must fax the delivery notification to the ordering agency. The ordering agency will make every effort to pick up the vehicle(s) within seven (7) calendar days.

All vehicles delivered/picked up must have 2 sets of keys and a minimum of 5 gallons of fuel.

Warranty cards and service policy must accompany each vehicle when they are delivered/picked-up, as the warranty will go into effect at this time. Vehicles must also be serviced and ready for use at time of delivery/pick up.

All titles, fees, as well as other charges, are to be paid by the contract vendor. The vendor must furnish a prepaid certificate of title in the name of the agency that purchased the vehicle(s). The title will change upon acceptance of delivery to the agency.

Standard features and options:
“Purchasing optional equipment on state motor vehicles that is unnecessary for the proper functioning of the automobile or safety of the driver and passengers” is prohibited by state law on this contract.

All vehicles shall come equipped with all standard equipment and options as shown as part of the base vehicle. This standard equipment and options on the base line must be factory installed.

Options not listed as part of the awarded base vehicle must be sold under the vehicle option line and must be factory installed, unless approved by state purchasing prior to award, and must be sold at dealer invoice cost.

All vehicles being ordered with additional options beyond those shown on the base vehicle contract line must have a quote from the awarded vendor showing the options code and dealer invoice price.

Vehicles sold under this contract must be free of dealership logos, decals, or advertising.

Vehicles must be factory colors with matching interior. Colors will be stated on the purchase order. If no color is specified, the vendor will order with factory white color with matching interior.

CONTRACT PERIOD:
Establish a 12 month contract with an option to extend for a second, third, fourth, and fifth 12 month period with the same pricing, and terms and conditions. The second, third, fourth, or fifth 12 month period, if agreed by both parties, would begin the day after the first, second, third, or fourth 12 month period expires. Any successive extension must have written approval of both the state and vendor no later than 30 days prior to expiration of the previous 12 month period.

ORDERING PROCESS:
Purchases for state agencies will be made by contract release orders showing specific shipping information. Cities, counties, school systems and other political subdivisions will be responsible for issuing their own purchase orders directly to the vendor.

PRORATION:
Any provision of a contract resulting from this bid to the contrary notwithstanding, in the event of failure of the State to make payment hereunder as a result of partial unavailability, at the time such payment is due, of such sufficient revenues of the State to make such payment (proration of appropriated funds for the State having been declared by the governor pursuant to
Section 41-4-90 of the Code of Alabama 1975), the contractor shall have the option, in addition to the other remedies of the contract, of renegotiating the contract (extending or changing payment terms or amounts) or terminating the contract.

**Manufacturer, Stock/Model numbers:**
At the end of each line item where spaces are marked MFR* and MODEL, the vendor is to indicate the manufacturer and model necessary to complete each unit as specified.

**Descriptive literature:**
Vendors may be required to provide complete descriptive, technical literature for evaluation. Reference to literature with a previous bid or to a website will not satisfy this requirement. Literature, if requested, must be provided within 5 business days from the date of request. The literature must show the line item number on the bid and the make/model. Failure to provide the literature as outlined above will result in the rejection of your bid on that line item. Physical inspection and operational evaluation may also be required without cost or obligation to the State of Alabama.

**Requested information:**
Any additional information requested from a vendor must be furnished within five (5) days from receipt of request.

**Firm Pricing:**
All prices quoted must be firm for a period of one (1) year from the vendor's notification of award.

**OPTIONS PRICING:**
All options must be sold at dealer invoice cost. All options must be factory installed unless otherwise noted on the options price list supplied to state purchasing by the awarded vendor. Options pricing must be supplied to the agency within 2 business days from date of request. Agencies may request standard features to be deleted, if possible, with a reduction to the vehicle cost. This reduction will be shown on the quote, invoice, requisition, and purchase order as a negative cost. Proof of dealer cost may be requested and must be supplied within 2 business days from the date of request. Failure to provide proof of dealer cost may result in contract cancellation.

Vendors must not enter a price on the unit price line for vehicle options or vehicle delivery. The prices for these line items will be quoted at the time the vehicle is ordered. Only the price pages with prices for the line items you are bidding on need to be returned.

**QUOTES:**
When vendors supply a quote to an agency, individual priced options must show for the base vehicle price (which matches the contract bid price). Items included in the base bid price (such as title, fuel, keys, warranty, etc.) must not be shown as separate cost on option quotes.

It would be helpful for vendors to notate the contract and line number on any quotes provided to agencies.

**CREDIT APPLICATIONS/BUSINESS LICENSES, ETC:**
Vendors may not require any state or other governmental entity buying from this contract to complete credit applications or any other forms.

State agencies or other local governmental entities purchasing from this contract may not require vendors to obtain business or other licenses or complete any other forms.

**PURPOSE:**
To establish a statewide contract for non-alternative fuel vehicles for State agencies, pricing may be made available to other local governmental agencies, such as cities, counties, schools, universities, etc. Non-Government agencies, such as non-profit, are not eligible to purchase from this contract regardless of funding.

Payment terms: All state agencies and universities payment terms are net 30 after vehicle delivery and receipt of correct invoice.

All other local governmental entities payment terms are upon vehicle delivery and receipt of correct invoice.

*Note: vendors may charge State or other Governmental entities purchasing from this contract interest on late payments, in accordance with Code of Alabama 41-16-3.*

The exact quantity of purchases for each item listed is not known. The division of purchasing does not guarantee that the state will purchase any quantity.
